**The investor program can be executed through two routes**

1. Full Investment:

Applicants choosing this option must deposit €512,000 in a Governmental Bond Portfolio for an investment period of five years, with no further payment required.

At the end of the five-year period, the full amount of €512,000 will be returned to the investor without any accrued interest.

The investment is fully guaranteed by the government bonds.

2. Financed Investment:

For a fixed pre-paid fee, clients can leverage their capital by choosing the Financed Investment option. These individuals pay a reduced amount that will be used to finance a €511,292 closed 5.5-year loan. This loan is initiated and repaid at no further cost to the investor.

Applicants choosing the Financed Investment option will need to demonstrate net worldwide assets of no more than €1 million.

## **Fast Track Citizenship**

Personal net worth greater than €1 million is required by banks for the financed investment option.

For the full investment option, the net worth requirement is €512,000

Application is made after one year of holding a permanent residency
